## F-Series **NEW**

### Minimalist Design, Maximum Showering

The Rainshower F-Series of shower heads and body sprays provides total freedom, affording consumers the flexibility to create their preferred interaction with water. The super-flat panels blend seamlessly into any environment, maximizing the showering space. Combined with a thermostat and hand shower from one of GROHE's contemporary faucet lines, Rainshower F-Series creates a customized showering zone that adheres to the GROHE Sensual Minimalism philosophy – minimalist in design, yet comfortable, functional and enticing to use.

#### Performance Features:

- **SpeedClean®** anti-lime system – a simple wipe of a finger is all that is needed to remove limescale and maintain “like-new” performance
- **GROHE DreamSpray®** Technology – advanced shower engines efficiently distribute an equal, consistent flow of water to every single nozzle for a shower experience that is second to none
- **GROHE FlowBalance** allows adjustment of the flow rate of each body spray to match your preference
- **GROHE StarLight®** Technology for a deep, lustrous long lasting chrome finish
